

The 41st Annual Performance Tested Bull Test at SIUC is underway! Attached are the on-test weights for 58 bulls along with a list of consignors, addresses, and phone numbers. The bulls will only be tested for 84 days.

For this year's sale the bulls will be going through the sale ring. Also, we will be selling heifers immediately after the bulls.

If you notice your bull lost some weight it is because they were only fed to maintain and/or to have an ADG of 1 lb/day during training. Thus, please don't be alarmed. We have had to treat one bull for respiratory issues and we are down 2 bulls since delivery due to poor foot/leg structure otherwise all have been healthy and have adapted very well to the Calan Gate System!

A few reminders:

- Be sure to get your weaning WTs and yearling WTs turned into the association in a timely fashion; the Adj weights are due to the test station on **Feb. 2nd**
- Advertisements for the catalogue will be due **Feb. 1st**
 - full page advertisement (5.5" x 8.5") for \$125
 - half page (5.5" x 4.25") for \$50
 - a business card for \$25
- **If you see missing information in this report please get it to us ASAP**

*****41st Annual Performance Tested Bull SALE is March 2, 2018 at 6:30 pm*****

Keep track of what is going on at SIUC Bull Test Station on the web www.bulltest.siu.edu or like us on Face Book: **SIUC Bull Test**
